

Cross Oval Coffee Table by Matthew Hilton

Cross Oval Coffee Table by Matthew Hilton

The Cross oval coffee table by Matthew Hilton repurposes the leg detail of the Cross extending table underneath the 122cm (48") width solid wood top.

The sturdy contemporary coffee table is a smaller version of the Cross extending dining table; it combines a visual balance due to the proportions of the table top with a functional design of the base.

The Cross collection is a timeless, reliable range with award-winning products which distil the modern principles of design.
