

Eos Lounge Chair by Matthew Hilton

Eos Lounge Chair by Matthew Hilton

Eos is a contemporary outdoor collection which is physically and visually light, smartly proportioned and very comfortable.

Certain to inspire leisurely outdoor living and dining during the long days of summer, this collection was named after Eos, the Greek goddess of dawn and bringer of light.

The Eos Lounge Chair is fully constructed from powder coated, rust-proof aluminium with hard-wearing nylon glides, suitable for all floor types.

The Lounge Chair is also stackable by up to eight chairs allowing efficient storage and handling.

An optional Textilene® seat pad is also available.

Notable commercial projects to feature Eos include London Olympic games 2012, Royal William Yard, Imperial War Museum, LA Music Centre.
