

Designed by Christophe Pillet, DUNAS XS is a collection of chairs and armchairs of transversal use that originates from the combination of two seat bodies with a wide variety of bases, fixed or swivel, allowing endless possibilities of use in all kind of contexts and spaces, residential and public alike. Refinement, neutrality, formal clarity and essential elegance are the marks of identity of this versatile collection of chairs and armchairs.

DESIGN: Christophe Pillet

Christophe Pillet graduated from the Decorative Arts School in Nice in 1985, Master of Domus Academy Milano, in 1986. He worked with Martine Bedin in Milano from 1986 to 1988 and cooperated with Philippe Starck, in Paris, from 1988 to 1993. Since 1993, he manages his own design agency. Pillet was elected as "Créateur de l'année 1994". During his career he has published many articles on the most important magazines of the world. Lucidity of expression and the search for simplicity are the key principles: in the work of Christophe Pillet the elegance is optimized. Pillet's perfect command of sensuality and refinement has made him one of the rare French designers who have gained global recognition designing hotels, boutiques and directing artistic projects in Europe, USA, and Japan. He has won international acclaim for the spectrum and quality of his creations. Architecture objects, furniture, artistic direction, his signature is invariably associated with the best furniture companies and with the finest luxury brands: Trussardi, Lacoste, Moët et Chandon, Veuve Clicquot, Lancome, Shiseido, l'Oréal, JC Jitrois, Catherine Malandrino, Lancel, Le Tanneur International... The scope and the variety of his projects share a common attitude, independent of scale. Whether it be as design director for renowned fashion brands, or in longterm collaborations with first class furniture brands, his considered interpretations are a testo high-voltage chic, distinguished both by its precision and rigor. If a "Pillet style" exists, it is in his ability to crystallize, within a project, the excitement of a proposition.

BODY

The seat body is made with an inner steel frame covered with high density and resilience CMHR mould-injected poliurethane foam. It is available in two versions: chair and armchair.

Upholstery: Available in any of the leathers or fabrics of the INCLASS swatch cards and also with fabrics supplied or specified by the customer.

BASE VERSIONS

Four legs base

The frame is made with 16 m.m steel tube with 2m.m thickness.

Finishes: Available in thermoset polyester powder coating in any of the colours of the INCLASS swatch cards or in chrome.

Rod sled base

The frame is made with 12 m.m solid steel rod.

Finishes: Available in thermoset polyester powder coating in any of the colours of the INCLASS swatch cards or in chrome.

Four star trestle swivel base

The base is made with 18 m.m solid rod.

Finishes: Available in thermoset polyester powder coating in any of the colours of the INCLASS swatch cards or in chrome.

Four star flat swivel base

The base is made with 18 m.m solid rod.

Finishes: Available in thermoset polyester powder coating in any of the colours of the INCLASS swatch cards or in chrome.

Four star swivel base in oak

The base is made with an inner steel structure covered with oak wood.

Finishes: The oak can be varnished in natural colour or lacquered in white or black.

The spokes have adjustable glides.

Chair with five star swivel base on casters

The base is made with 18 m.m solid rod.

Finishes: Available in thermoset polyester powder coating in any of the colours of the INCLASS swatch cards or in chrome.

The base has casters with double soft tread.
