Leina bar table

Product facts

Product info

Plate	Solid oak
Finish	Hardwax oil
Legs	Powder coated steel

Technical features

Plate

Leina bar table's plate is made out of solid wood - oak and is connected to the leg base through metal plate stiffeners.

Legs

Bar table's leg structure is made out of powder-coated (fine structure) steel rods and tubes. Plastic gliders are attached to the table legs and are suitable for most flooring options. For further information please see Available materials page in this document.

Finish

The wooden seat is available in two plant-based Hardwax oil finishes (colors), which retain the wood's natural state, as a white or natural oil.

Cleaning

Please see [Product](#) or [Material](#) page on our website.

Notes to consider

Variations

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.

Product changes

Please note that Gazzda reserves the right to alter construction and design without notice.

Dimensions (tolerances)

The dimensions shown are indicative, they may vary due to the natural properties of wood, season, or manufacturing processes. Deviations from the specified size may occur, usually no more than 1 cm.

For all additional inquiries regarding the Leina bar table please feel free to [contact us](#).

Leina bar table

Base Powder-coated steel, Plate Solid oak

Version: 1-8-2021
