| Model | 6700 - Piloti Wood Table, Coffee table 39x31 cm |
| About | The word "piloti" refers to the pillars or columns that elevate a building above the ground. While the legs of our Piloti Tables resemble pillars, the overall intention is for the table to appear like a slim line almost floating in space. An elegant integration of the table top with the legs ensures a subtle, streamlined transition into one balanced entity. Light in appearance yet sturdy in construction, the Piloti tables in wood are made from solid oak, a naturally beautiful, tactile material that needs no adornment. |
