Private, Vitrine

Designed by Space Copenhagen - 2018

ITEM NUMBER 39667

DESCRIPTION

The Private Collection is a dedicated exercise in clean lines, symmetry and tonal restraint – calm and composed, but undeniably generous in its expression. The visual simplicity and careful balance of dimensions and materials enable each piece to feature in any room of the home and to fit seamlessly into a range of different interior styles.

The Private Vitrine is a statement display cabinet for the bedroom, lounge or kitchen – and would also work well in a hotel or spa lobby where a touch of personality is required. Its brown/black-stained or light-stained oak veneer frame encases a tall glass case with three shelves, providing the transparency to store and display books, tableware, glass-ware, or precious ornaments, and an opportunity to weave personal narratives into a space.
