

# Drape

Sharp Precision and Soft Curves

**normann**  
C O P E N H A G E N

## Designed for Immense Comfort and Relaxation

Drape is a lounge chair collection characterized by its sharp precision and soft curves. The upholstery is “draped” around the chair giving an elegant and organic outline, inviting you to take a well-deserved rest.

Drape is an uncompromising design, in which comfort and aesthetics go hand in hand. A hard molded PU foam shell w. steel reinforcement ensures stability and strength, while a soft molded PU Foam seat gives optimum comfort, as it shapes itself according to the body contours making it ideal for relaxation and leisure.

## Product Facts

### Description

Drape is an uncompromising design, in which comfort and aesthetics go hand in hand. A hard molded PU foam shell w. steel reinforcement ensures stability and strength, while a soft molded PU foam seat gives optimum comfort, as it shapes itself according to the body contours making it ideal for relaxation and leisure.

### Design

Simon Legald / 2022

### Material

Shell: Hard molded PU foam w. steel reinforcement  
Cushion: Soft molded PU foam  
Legs: Steel: Powder-coated steel. Wooden legs: Lacquered or painted and lacquered oak.

### Construction

A hard molded PU foam shell w. steel reinforcement ensures stability and strength, while a soft molded PU foam seat gives optimum comfort, as it shapes itself according to the body contours. Legs are either in powder-coated steel or wooden legs in lacquered oak or painted and lacquered oak.

### Maintenance

Textile: Clean with textile or upholstery cleaner.  
Leather: Clean with a damp cloth. Frequent vacuuming with a soft fitting is recommended both for textile and leather to preserve color and appearance. Correct care and maintenance is important in preserving a product's attributes and appearance. Please see our related [guide](#) for further recommendations.

### Accessories

Comes with PE glides. Felt glides can be purchased separately. See [Glides Overview](#).
