Cross Extending Table by Matthew Hilton
Cross Extending Table by Matthew Hilton

The award-winning Cross Extending Table is a fine example of Matthew Hilton’s innovative approach to wood furniture design and signature minimal aesthetic.

Practical and versatile, simple lines build to create a distinctive contemporary shaped base designed to offer ample leg room. The table top expands with a smooth and simple pull to allow for the addition of two extra leaves. The extension leaves can be stored in the concealed compartment under the table top when not in use.

Constructed from a solid wood base and a solid edge veneered top, the Cross Extending Table seats 8 to 12 people.

Winner of the ELLE Decoration Award for Best in Furniture 2006, the Homes & Gardens Classic Design Award in 2007 and the Design Guild Mark in 2008.

Made in Lithuania.
