

BM0700 | ASSERBO BENCH

BØRGE MOGENSEN

CARL HANSEN & SØN

DESCRIPTION

Børge Mogensen's Asserbo Series comprises a table and bench made of solid, dark oiled eucalyptus, and the series exudes a stringent, stylistically consistent design. The rounded shapes and visible screws of brushed brass gives the series an informal aesthetic that clearly alludes to the Shaker style. The bench is available with either a permanently attached or wall-mounted backrest, as well as cushions in leather or textile, making it possible to create a personal expression.

DESIGNER

Børge Mogensen (1914–1972) was a pioneer in democratic design and was known as 'the people's designer' – partly due to his engaging personality, but also because he always designed quality furniture that was within people's reach. Mogensen's democratic design included simple and functional wooden furniture, with calm aesthetics and strong construction from quality materials.
