

# BM1160 | HUNTING TABLE

## BØRGE MOGENSEN

### DESCRIPTION

The name of the BM1160 Hunting Table by Børge Mogensen refers to the "Hunting Cabin" theme of the Guild's exhibition where it was displayed. The table is constructed for frequent use with rounded corners and edges in solid wood, which reveals Mogensen's passion for democratic and accessible design.

### DESIGNER

Børge Mogensen (1914–1972) was a pioneer in democratic design and was known as 'the people's designer' – partly due to his engaging personality, but also because he always designed quality furniture that was within people's reach. Mogensen's democratic design included simple and functional wooden furniture, with calm aesthetics and strong construction from quality materials.
