

FH419 | HERITAGE CHAIR

FRITS HENNINGSEN

CARL HANSEN & SØN

DESCRIPTION

With this 1930 design, Frits Henningsen drew on inspiration from earlier periods. The FH419 Heritage Chair is characterized by soft, elegant lines and exceptional quality, down to the smallest detail. The result is a classic design with a fully-upholstered chair constructed upon a carefully-crafted, solid beech frame.

DESIGNER

Frits Henningsen (1889–1965) had a more functional design style developed from historically inspired to simpler, timeless work that remains relevant today. His work is rooted in classic craftsmanship with a design expression that has broad appeal – a combination embodied in his Heritage Chair and his final design, the Signature Chair.

MATERIALS

- Seat/back: Solid beech and foam with upholstery available in all CHS fabrics and leather groups.
