Altura Step Stool by Patricia Perez

Created with functionality in mind, the Altura Step Stool, designed by Patricia Perez is a convenient and practical way to accessing those just out of reach heights in the home. When not on use the step-stool doubles as a contemporary side table.

Crafted from oak veneer and solid oak edging in either a black stained or natural finish. The Altura step stool features two steps with curved legs and is finished with a clear lacquer, allowing the natural warmth of the wood to come through, requiring minimal maintenance.

Made in Thailand.
