

Bridge Extending Table by Matthew Hilton

Bridge Extending Table by Matthew Hilton

Created by award-winning designer Matthew Hilton, the Bridge Extending Table is a contemporary and versatile table for modern living.

Designed with gently tapered solid wood legs and a veneered table top, the supporting frame arcs underneath the table top similar to a bridge formation, allowing the legs to face outwards to maximise leg room.

Fusing modern design and functionality, the Bridge Extending Table is available in two widths. The 1.1m table extends to 1.6m and seats up to a maximum of 6 people. The 1.6m table extends to 2.6m and seats up to a maximum of 10 people. Extension leaves should be stored externally.

Made in Lithuania.
