

Graceful series

Designed by Michael H. Nielsen, Denmark

Designer Michael H. Nielsen created the Graceful series based on the principle 'less is more'. The details are kept to a minimum, allowing each design to speak its own distinctive language. The series includes tables such as desks, dining tables and coffee tables, as well as a bench, all sharing the characteristic unbroken tabletop surface and sloping legs that emphasizes a clean and classic look. Graceful is crafted in Europe in solid FSC® certified oak and is available in different sizes and formats.

Meet the designer

My style is characterized by keeping the focus on the detail and "edge" that separates my designs from the crowd. One of my biggest influences is to register how much diversity there is among people and try to meet the very different needs that it creates. I've always been fascinated by the craftsmanship and the interaction between craftsman and designer. Good design is what gives meaning and value to the people who use it.
