

Haven series

Designed by Steffensen & Würtz, Denmark

Haven is a range of bed frames, headboards and mirrors. The minimalist bed frame is made of solid oak, as well as a soft, inviting headboard that matches the frame. Crafted from wood, the bed frame is designed with a wide surrounding frame, adding both an uncluttered appearance and extra functionality, with the surface being ideal for parking your morning coffee or book. The designers behind, Steffensen & Würtz, have created Haven bed frames and headboards from a minimalist perspective, combined with handcrafted details and a love and respect for natural, solid and durable materials. All combined to help make Haven a tranquil sanctuary.

Meet the designer

With an honest approach to design, we strive to create designs that push your boundaries and create value in your everyday life. We love challenging our creative and methodological approach in order to create products and furniture that make sense and possess great personality. A product design should awaken your curiosity and even make you smile. We are always ready for giving you our say on tomorrow's designs.
