

Haven series

Designed by Steffensen & Würtz, Denmark

Haven is a range of bed frames, headboards and mirrors. The minimalist bed frame is made of solid oak, as well as a soft, inviting headboard that matches the frame. Crafted from wood, the bed frame is designed with a wide surrounding frame, adding both an uncluttered appearance and extra functionality, with the surface being ideal for parking your morning coffee or book. The designers behind Steffensen & Würtz have created Haven bed frames and headboards from a minimalist perspective, combined with handcrafted details and a love and respect for natural, solid and durable materials. All combined to help make Haven a tranquil sanctuary for everyday life and weekends.
