

## Luxe series

Designed by Michael H. Nielsen, Denmark

---

The Luxe series is designed by the Danish designer Michael H. Nielsen and comprises an elegant series of storage, media furniture and bar cabinets. Every design features an eye-catching herringbone pattern, which elegantly reflects the light and brings the design to life. All drawer modules are equipped with soft-close functions, and the smaller modules can be mounted on a metal frame or hung directly on the wall. An elegant design, whose functionality and aesthetics go hand in hand.

### Meet the designer

My style is characterized by keeping the focus on the detail and "edge" that separates my designs from the crowd. One of my biggest influences is to register how much diversity there is among people and try to meet the very different needs that it creates. I've always been fascinated by the craftsmanship and the interaction between craftsman and designer. Good design is what gives meaning and value to the people who use it.
