# Chairmakers Rocker

Designed by Lucian Ercolani

1956

Few forms convey the warm, familiar essence of home as succinctly as that of the rocking chair. The CHAIRMAKERS ROCKER features a traditional spindle backrest with nine, finely-tuned spindles, while durable, solid wooden legs grant the chair a range of movement, allowing users to lean back and enjoy the simple pleasure of sitting in a rocking chair. Manufactured in solid Ash, and offered in nine finishes.
