Jaime Hayon

Spanish artist-designer Jaime Hayon was born in Madrid in 1974. After studying industrial design in Madrid and Paris he joined Fabrica - the Benetton-funded design and communication academy in Italy- in 1997 where he directed the design department until 2003.

Hayon set up his own studio practice in the year 2000 and dedicated himself fully to his personal projects from 2003 onward, today he is one of the most acclaimed creators worldwide.

Aleta *Lounge Chair*

2017 — How to express a lot through a simple piece of furniture? The successful Aleta collection fuses functionality with comfort, rigorous lines with creativity. As in the entire Viccarbe collection, nothing is static: Metal or wooden structure? Seats with or without armrests? If creativity taught us something, it is that we should never give up freedom.

If creativity
taught us
something, it is
that we should
never give up
freedom
