Muna Chair

Product facts

Materials

Body	Solid oak
Backrest	Oak veneer
Finish	Hardwax oil / lacquered
Seat	Oak veneer / leather or fabric upholstery

Technical features

Body

Muna's body is made out of solid wood, while the bent backrest is made out of thin veneer slices of high-quality oak. Chair elements are connected with characteristic and visible wedged mortise and tenon joints. Felten gliders are attached to the chair legs and are suitable for most flooring options. The seat is attached to the body through matte black plastic seat spacers.

Seat

Three material options for a seat are available: as a form-pressed veneer seat or as leather or fabric upholstered options. For further information please see Available materials and colours page in this document.

Finish

Available in three plant-based Hardwax oil finishes (colors), which retain the wood's natural state (white, natural and smoked oil) or as a black lacquered option.

Cleaning

Please see [Product](#) or [Material](#) page on our website.

Standards and certifications

Muna Chair fulfil requirements of standard BAS EN 16139:2014 + BAS EN 16139/Cor1:2014 Furniture - Strength, durability and safety - Requirement for non-domestic seating.

Notes to consider

Variations

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.

Product changes

Please note that Gazzda reserves the right to alter construction and design without notice.

Dimensions (tolerances)

The dimensions shown are indicative, they may vary due to the natural properties of wood, season, or manufacturing processes. Deviations from the specified size may occur, usually no more than 1 cm.

For all additional inquiries regarding Muna Chair please feel free to [contact us](#).
