Technical features

Plate

The Mushroom Coffee & Side Tables are entirely crafted from solid oak wood. The tabletop features a rounded edge for a softer, more comfortable touch.

Base

The wooden base, constructed from solid oak, is crafted with woodturning lathe technology. A circular rubber seal strip at the base's bottom enhances grip on floor surfaces.

Finish

Available in three plant-based Hardwax oil finishes: white, natural, and smoked oil. These finishes preserve the wood's natural appearance and texture.

Natural variations in the colour and surface texture of wood may occur. Regular maintenance ensures the wood retains its authentic beauty and durability for generations.
