Linn Bed

Jenkins & Uhnger

Created by Oslo-based Jenkins & Uhnger, the Linn bed showcases the design duo's commitment to sleek, minimal aesthetics.

Its boxy, geometric form makes it a refined centrepiece for any bedroom, with durable, solid wood legs and a fully upholstered frame in soft bouclé fabric.

There are also plenty of functional elements seamlessly integrated into the design, such as removable cushions on the headboard that are secured by subtle wings to provide exceptional comfort.

Mattress not included.

Made in China.
