

Luxe series

Designed by Michael H. Nielsen, Denmark

The Luxe series is designed by the Danish designer Michael H. Nielsen and comprises an elegant series of storage, media furniture and bar cabinets. Every design features an eye-catching herringbone pattern, which elegantly reflects the light and brings the design to life. All drawer modules are equipped with soft-close functions, and the smaller modules can be mounted on a wooden frame or hung directly on the wall. An elegant design, whose functionality and aesthetics go hand in hand.

Meet the designer

My style is characterized by keeping the focus on the detail and "edge" that separates my designs from the crowd. One of my biggest influences is to register how much diversity there is among people and try to meet the very different needs that it creates. I've always been fascinated by the craftsmanship and the interaction between craftsman and designer. Good design is what gives meaning and value to the people who use it.

Test and certifications

FSC™ C165134 (Forest Stewardship Council) is an international organisation that advocates for responsible management of the world's forests. FSC-labelled products contain wood materials from forests that meet strict environmental, social and economic standards, helping to protect biodiversity, ecosystems and local communities.

EN 16121:2013 Non-domestic storage furniture – Requirements for safety, strength, durability and stability

Tested according to the Toxic Substances Control Act - TSCA Title VI - to ensure wood-based materials do not emit excessive amounts of formaldehyde, and that they comply with permitted limits.
